DEVOTION FROM THE REVEREND MICHAEL SARES

open my eyes that i may see wonderful things in your **law**.

psalm 119.18

let me understand the teaching of your **precepts**;
then i will meditate on your wonders.

psalm 119.27

give me understanding and i will keep your **law**
and obey it with all my heart.

psalm 119.34

your hands made me and formed me;
give me understanding to learn your **commands**.

psalm 119.73

the fear of the Lord is the beginning of wisdom ...
all who follow his **precepts** have good understanding.

psalm 111.10

What is it about God's law that so consumed the writers of the psalms? They knew that it is the prescription to cure a meaningless existence. God's words have the power to transmit life! Jesus said that you could distill the law down to two things:

loving God with all your heart, with all your soul and with all your mind,

and loving others as you love yourself.

Meditate upon these verses. Substitute what Jesus said were the greatest commandments wherever the words "law," or "precepts," or "commandments" appear.

May God grant you insight and understanding. -Mike
